

Schedule A: Schedule of Outcomes

1. Unsatisfactory Progress

- 1.1.1 This Schedule outlines possible outcomes of a panel hearing related to the academic progress of a student enrolled in a course of study, where it has been deemed by the panel that the student's progress is unsatisfactory. The outcome may include one, or more of the following:
- a) Extension may be granted
 - b) Alternative assessment
 - c) Change of placement or research supervisor
 - d) Conditions set for continuation, such as provision of additional medical or other evidence
 - e) Make formal recommendations which are not conditions, such as lowering working hours
 - f) Refer the student for personal counselling or mental health support or assessment Variation to course enrolment, such as part-time enrolment
 - g) Suspension for a period of no less than six months or one semester
 - h) A combination of the above options.
 - i) Exclusion from the course
